**Academic Year 2020-2021**  
**Webinar on the Power of Story Telling**

*Stories have been used to hand down learning and knowledge for thousands of years. A good story engages our curiosity, emotions and imagination.*

This aspect of storytelling – presenting a different perspective of the world – is important when it comes to connecting with each other. It gives us an opportunity to learn from another person's experience and it can shape, strengthen or challenge our opinions and values.
