

SIT RACING- INTERNATIONAL GOKART CHAMPIONSHIP

This competition focuses on engineering technique being implemented in the project design. This takes the students potential to next level since it gives new experience in designing and making the Go Kart.

A team consisting of 15 students from Mechanical Engineering of 2nd and 3rd year with Prof. R.Ravichandran has participated in this competition from 21st March to 24th March which is held at Lovely Professional University, Jalandhar, and Punjab.

The first round of virtual round was held in PUNE in the month of January 2014 represented by four members from this team with Go Kart design. In this round, totally 130 colleges had participated across Asian continent. Only 54 colleges had cleared this virtual round. Our SIT RACING was one among the 8 colleges being selected from Tamil Nadu.

After clearing the virtual round, our college management had extended their supporting hand in this regard by giving all the financial and infrastructural assistance needed for the fabrication work. It is essential to remember the timely help of SUSEE MAHINDRA, Madurai towards MIG welding, Painting, Testing and Technical supports to fabricate this Go Kart vehicle.

The final racing competition was held at Lovely Professional University Punjab. In this competition, Technical Inspection, Braking, Acceleration, Skid Pad, Autocross, and final endurance events were conducted. As result of these events, SIT RACING has won the following awards:

2nd Place in Skid Pad

3rd Place in Autocross

3rd Place in Endurance

4th Place in overall competition

1st in South Indian Region

Our College Founder & Chairman, Mr.S.M.Mohamed Jaleel, Chief Executive Officer Mr.S.M.Seeni Mohaideen, Joint Chief Executive Officer Mr.S.M.Seeni Mohamed Aliyar Mraikayar, Principal Dr.A.Senthil Kumar, Vice Principal Dr.G.D.Siva kumar, HOD of Mechanical Engineering Department Dr.P.Seeni Kannan and Professors, wish and congratulate this team who succeeded in the International Go-Kart Championship – 2014.
