

SETHU INSTITUTE OF TECHNOLOGY
(AN AUTONOMOUS INSTITUTION | ACCREDITED WITH 'A' GRADE BY NAAC)

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
B.E. COMPUTER SCIENCE AND ENGINEERING

Activity Supports Employability/Entrepreneurship/Skill Development

Subject Code: 15UCS918

Subject Name: INFORMATION RETRIEVAL

- Think – Pair - Share activity, a form of Collaborative learning helps to understand different information retrieval concepts gradually. It also helps the students to share their ideas in front of the class which may lead to employability.
- Assignment activity - students are assigned a task as a part of their work. It is a great way to judge the ability and understanding of an individual student towards a subject knowledge which helps the students to solve and predict the real world problems which support their skill development.
- Case studies help the students to get depth knowledge through the experimental designs.
