

SETHU INSTITUTE OF TECHNOLOGY
An Autonomous Institution
Pulloor, Kariapatti -Taulk. VirudhunagarDist - 626115
DEPARTMENT OF INFORMATION TECHNOLOGY
Accredited By NBA, New Delhi

Activity Supports Employability/Entrepreneurship/Skill Development
Sub Code/Name:15UIT607- Security Lab

Simulated teaching is a method of learning and training that helps the students to improve their problem-solving skills. A simulation is a time-based representation of the operation of a real-world process or system. It gives a useful way of analysis that is simple to verify, discuss, and comprehend. Simulation modeling delivers valuable solutions across sectors and disciplines by providing clear insights into complicated systems. By using this Simulation techniques Students are able to work with recent Modern tools that could improve their Skill Development.
