ABOUT THE INSTITUTION

A twenty three years old Engineering college serving the Educationally, Economically and Industrially backward rural mass. This institute imparts technical education based on three cardinal principles: Knowledge, Service and Progress. It was established in the year 1995, offering currently 9 UG courses and 5 PG courses out of which 5 UG courses have been accredited by NBA, New Delhi.

RESEARCH & DEVELOPMENT, INNOVATION CELL and EDC CELL

Research, Consultancy and Extension services play an important role besides the teaching and learning process. The College has Anna University approved research centers in Mechanical Engineering, Computer Science and Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Civil Engineering, Maths, Physics & Chemistry departments. As the outcome of the research work numerous papers have been published in reputed National and International Journals. The quantum of publication is improving year after year. The faculty members are also working on various innovative projects leading to the filing of patents. Already the College has obtained four patents and about twelve patents are in progress.

The Entrepreneurship Development Cell of the College promotes self-employment and provides necessary guidance to the budding entrepreneurs of the college. It functions to promote entrepreneurship culture among graduates through entrepreneurship awareness camps, workshops, seminars, business plan competitions and interaction with entrepreneurs.

RESOURCE PERSONS

Dr. M. Kanthababu (Director), Anna University, Chennai
Shree.S.Udhaya Shankar, Asst. Controller of Patents, Chennai

ABOUT THE WORKSHOP

With the increasing globalization of the world economy and the challenges facing us in this new millennium, the importance of IP rights is becoming widely recognized as the crucial factor in safeguarding the results of technological development. We hope that this workshop makes the researchers to understand the IP system better and establish ways to ensure that their efforts may eventually lead to potentially sustainable benefits, both financially and intellectually, for their Organizations and Nation.

REGISTRATION FEE

Students & Research Scholars : **Rs.500** /-
