Our founder and chairman Mr.S.Mohamed Jaleel, whose sole aim is to impart quality technical education with the latest state-of-art infrastructure. Dr. A.Senthilkumar, Principal is the excelling force for providing innovative technical excellence and extermination in minds of budding professionals. The institution has 132 acres of land near Madurai and it is situated on the Madurai - Tuticorin National Highway. It has good infrastructure facilities and dedicated faculty members.

## ABOUT AOERS

The Asian Open Education Resource Society (AOERS) is an independent non-profit organization. It is organized under scientific educational purpose in the field of open education resources and online information technology in all domains. AOERS provide national and international networks and support educational development. AOERS is committed to empowering the learning community, supporting efforts increase access to quality education from early childhood to higher education. The main aim of the society is to raise awareness of existing OER – Open Education Resources for using in higher education and research activities.

## ABOUT THE SEMINAR

The Internet has fundamentally changed the practical and economic realities of distributing scientific knowledge and cultural heritage. For the first time ever, the Internet now offers the chance to constitute a global and interactive representation of human knowledge, including cultural heritage and the guarantee of worldwide access. The Open educational resources are digitalized materials offered freely and openly for educators, students and self-learners to use and reuse for teaching, learning and research, OER includes learning content, software tools to develop, use and distribute content, and implementation resources such as open licenses.

The Open Educational Resources (OER) movement, which aims to provide high quality teaching and learning resources to teachers and learners everywhere for free, is growing rapidly supported by foundations and institutions across the world.
