

## ABOUT THE INSTITUTION

Sethu Institute of Technology was established in the year 1995 by Sethu Educational Trust. The college is currently offering 9 Under Graduate Programmes and 5 Post Graduate programmes with a students strength of about 4700. The various programmes of the College have been accredited by NBA since 2006 and currently the UG Programs of MECH and IT are accredited under Tier-I, Washington Accord. The College is accredited by NAAC with 'A' Grade. It has received UGC recognition under section 2(f) and 12(B) of the UGC Act 1956. The College has been conferred Autonomous status in the year 2012 by University Grants Commission (UGC), New Delhi. The College has Research Centre recognition by Anna University for many Departments. The College offers the students a range of learning opportunities and is committed to impart holistic and value based professional education to the students.

## ABOUT NAAC

The National Assessment and Accreditation Council (NAAC) is an autonomous body established in 1994 by the University Grants Commission (UGC) of India to assess and accredit institutions of higher education in the country. It is an outcome of the recommendations of the National Policy in Education (1986) which laid special emphasis on upholding the quality of higher education in India. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. It conducts assessment and accreditation of Higher Education Institutions (HEI) to derive an understanding of the "Quality status of the Institution".

## ABOUT IQAC

The Primary aim of the IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the College. The IQAC of Sethu Institute of Technology provides greater clarity and focus in institutional functioning towards quality enhancement and facilitates internalization of the quality culture.

## ABOUT THE SEMINAR

The National Assessment and Accreditation Council (NAAC) has brought in new spirit into assessment and accreditation with the revised process effective from July 2017 making it more robust, objective, transparent, scalable and technology enabled. This seminar focuses on building awareness about the Revised Accreditation Framework (RAF) of NAAC and its benefits to the Higher Education Institutions.
