## **2021 REGULATIONS for B.E. / B.Tech. Degree Programmes**

These regulations are applicable to all candidates admitted into B.E./B.Tech. Degree Programmes from the academic year 2021 – 2022.

### **1. PRELIMINARY DEFINITIONS AND NOMENCLATURE**

In these regulations, unless the context otherwise specifies:

- i. **“University”** means Anna University, Chennai.
- ii. **“Programme”** means UG Degree Programme that is B.E./ B.Tech. Degree Programme.
- iii. **“Branch”** means specialization or discipline of B.E./B.Tech. Degree Programme like Mechanical Engineering, Information Technology, etc.,
- iv. **“Course”** means a theory or practical subject that is normally studied in a semester, like Mathematics, Physics, etc.,
- v. **“Credit”** means a numerical value allocated to course units to describe the student’s workload required per week.
- vi. **“Grade”** means the letter grade assigned to each course based on the range of marks specified.
- vii. **“Grade point”** means a numerical value (0 to10) allocated based on the grade assigned to each course.
- viii. **“CBCS”** means Choice Based Credit System
- ix. **“Controller of Examinations”** means the authority of the Institution who is responsible for all the activities of the Examinations of this Institute.
- x. **“Head of the Institution”** means the Principal of the College / Institution / who is responsible for all the academic activities of the College / Institution and for implementation of relevant rules of this Regulations.

The candidates seeking admission for the first semester to the eight semester **B.E. / B.Tech.**, degree programme:

- i. Should have passed the Higher Secondary Examinations of (10+2 pattern) in the academic stream with Mathematics, Physics and Chemistry conducted and approved by the Government of Tamilnadu or an examination accepted by the Syndicate of Anna University as equivalent there to. They should also satisfy other eligibility rules as prescribed by the Anna University and Directorate of Technical Education, Government of Tamil Nadu, Chennai, from time to time.

**(OR)**

- ii. Should have passed the Higher Secondary Examination of Vocational Stream (Vocational groups prescribed for B.E./B.Tech. admission as per Tamilnadu Engineering Admission).

### **2.2 Lateral Entry Admission**

- i. The candidates who possess the Diploma in Engineering / Technology awarded by the State Board of Technical Education, Tamil Nadu or its equivalent are eligible to apply for admission to the third semester of B.E./B.Tech., in any branch as per the norms of Directorate of Technical Education, Government of Tamilnadu

**(OR)**

- ii. The candidates who possess the Degree in Science (B.Sc.) (10+2+3 stream) with mathematics as a course at the B.Sc. level are eligible to apply for admission to the third semester of B.E./B.Tech. Such candidates shall undergo two additional Engineering courses in the third and fourth semesters

### **2.3 Admissions under NRI / Foreign Nationals (FN) / Overseas Citizens of India (OCI) / Persons of Indian Origin (PIO) / Children of Indian Workers in Gulf Countries (GIWGC)**

Candidates must have passed the qualifying examination i.e (10+2 pattern) of Indian system or its equivalent (completed 12 years of school education). Candidates must have studied in English Medium. The candidate should have passed in all subjects and scored a minimum average of 45 percentage in Mathematics, Physics and Chemistry put together in qualifying examinations. For NRI candidates the eligibility criteria shall be as per the norms of Directorate of Technical Education, Government of Tamilnadu. The list of qualifying examinations for the candidates in the category of Foreign Nationals

(FN) / Overseas Citizens of India (OCI) / Persons of Indian Origin (PIO) / Children of Indian Workers in Gulf Countries (GIWGC) is given in **Annexure 2**

### 3 UG PROGRAMMES OFFERED

The following Programmes and Branches of study approved by Anna University, Chennai, and All India Council for Technical Education, New Delhi, are offered by the College.

**TABLE-I: PROGRAMMES OFFERED**

Programme	Branch
<b>B.E.</b>	Mechanical Engineering Computer Science and Engineering Electronics and Communication Engineering Electrical and Electronics Engineering Civil Engineering Biomedical Engineering Computer Science and Design Computer Science and Engineering (Artificial Intelligence & Machine Learning)
<b>B.Tech</b>	Information Technology Agricultural Engineering Computer Science and Business Systems BioTechnology Artificial Intelligence and Data Science

### 4. STRUCTURE OF PROGRAMMES

Choice Based Credit System (CBCS), is the solution for the transformation from the traditional teacher-oriented education to a student-centered education. Taking responsibility for their own education in this way, students can benefit the most from all the available resources. The semester system accelerates the teaching-learning process and enables vertical and horizontal mobility in learning.

The credit based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The choice based credit system facilitates the students to take courses of their choice, learn at their own pace, undergo additional courses and acquire more than the required credits, and adopt an interdisciplinary approach to learning.

Each course is normally assigned certain number of credits as specified in Table II

**TABLE-II: Allotment of Credits**

Contact period per week	CREDITS
1 Lecture Period	1
1 Tutorial Period	1
2 Laboratory Period/Project Work period	1

A period shall have a minimum of 50 minutes. The curriculum of every programme is designed with a total number of credits around 160.

#### **4.1 Categorization of Courses**

Every B.E./ B.Tech Degree Programme will have a curriculum with Syllabi consisting of theory and Practical courses that shall be categorized as given in Table.III

**TABLE-III: CATEGORY OF COURSES**

Course Category	Range of Total credits
Humanities and Social Science	09-11
Basic sciences	24-31
Engineering Sciences	18-27
Professional Core	56-61
Professional Electives	18
Open Electives	12
Project work	13-15
Mandatory Courses	Non-Credit

**Humanities and Social Science Courses (HSC)** are to be studied compulsorily by the students of all the branches. English, Soft skill and Communication, Project Management and Finance etc., fall under this category

**Basic Sciences Courses (BSC)** include Mathematics, Physics, Chemistry, Biology etc.,

**Engineering Sciences Courses (ESC)** include Engineering Practices, Engineering Graphics, Basics of Civil / Mechanical / Electrical / Electronics / Instrumentation, Computer Engineering, etc.

**Professional Core Courses (PCC)** are to be studied compulsorily by a student in his/her chosen discipline of study.

**Professional Elective Courses (PEC)** are the advanced courses which provide an expanded scope of a given programme. The student can choose professional electives offered by the Branch. Professional elective courses shall include multi-disciplinary and inter disciplinary courses which are essential for the expanded scope for all concerned programmes.

**Open Elective Courses (OEC)** include the courses offered by a branch to other branches, from the list specified in the respective curriculum of the B.E./B. Tech. Programmes.

**Project Work (PRW)** promotes project based learning, team work and innovation culture among the students. Project work shall consist of Project work, Multi-disciplinary Project Work, Product Development Project, Creative Thinking & Innovation Project and Survey Camp etc.

**Mandatory Courses (MAC)** are to be studied compulsorily by all B.E./B.Tech students, irrespective of the branch. Mandatory courses are non-credit courses and these courses are listed in Table-IV and securing a pass is necessary for the award of degree. The details of assessment for the Mandatory Courses are given in **Annexure 1**

**TABLE- IV:LIST OF MANDATORY COURSES**

Name of the course	Semester
<b>Non - Credit Mandatory Courses</b>	
Induction Programme	I Semester
Environmental Science	II Semester
Biology for Engineers	III Semester
Gender Equality	IV Semester
Tamil Literature, Culture and Civilization through Archeology	V Semester
Indian Constitution	VI Semester
Professional Ethics and Human Values	VIII Semester
Sports and Social Development	---
Skill Development	---

The courses shall be so designed that the candidate at the end of the programme would have been trained not only in his / her relevant professional field but also would have developed as a socially conscious human being.

#### **4.2 Knowledge / Skill Enhancement Course**

Knowledge and Skill Enhancement Courses are offered to the candidates to promote and enhance their technical and **skill-based knowledge to increase their employability.**

##### **4.2.1 Categories of Knowledge / Skill Enhancement Course**

- i. **Self-Learning Online Courses:** Students can register online learning Courses/ MOOC offered by SWAYAM and other reputed online platforms with the approval of Head of the Department. The course content and credit weightage are decided by course offering Institution/Organization.
- ii. **Self-Learning Elective Courses:** A student can register one additional professional elective course or open elective course already existing in curriculum as a self-learning course in a semester from 5<sup>th</sup> semester onwards
- iii. **Elective Courses in PG Curriculum:** UG students can opt for elective courses prescribed in the curriculum of appropriate PG programme if he/she has CGPA of 8 and above up to 5<sup>th</sup> semester as professional elective course. The student opting for PG elective has to obtain prior permission from the Head of the Institution before course registration. A faculty coordinator shall be nominated by the PG Programme Head for each PG elective course.
- iv. **Industry Designed Courses:** The courses designed in collaboration with the industry/ research organizations/higher learning institutions shall be offered by the Department to the students. Credits shall be assigned based on the number of Lecture / Tutorial / Practical hours.
- v. **Internship:** One Credit shall be assigned to two weeks of field training / Internship / Industrial / Practical Training/summer project, undergone in a Company / Organization / Reputed institutions. 40 hours of internship shall be equivalent to one week. The Students can earn maximum of three credits in this category.
- vi. **Innovative Project:** Three credits shall be assigned for innovative project that can be taken-up by a group of students. It shall be for national /international level project design and development contest conducted by reputed Institution/

organization or projects related to entrepreneurship/start-up . The students can take-up this with the prior approval of the Head of the Institution through Head of the Department.

- vii. **Comprehensive Engineering Aptitude:** The students can gain comprehensive understanding of various undergraduate courses in Engineering and Science. A Comprehensive Engineering Aptitude Test (CEAT) will be conducted for all students. The students who score more than the qualifying marks in CEAT examination can earn three credits, others have the option to drop the course.
- viii. **Rural Development Project:** Three Credits shall be assigned for **Rural Development Project** that can be taken-up by a group of students (minimum of three). The outcome of the project shall be to uplift the living standards of the rural people using Science and Technology. The students can take-up this project from fifth semester onwards with the prior approval of the Head of the Institution through Head of the Department. There shall be a faculty supervisor to guide the students to complete the project successfully.

**4.2.2** The student can replace professional / open elective courses subject to a maximum of 9 credits or/and earn additional credits through Knowledge / Skill Enhancement courses.

**4.2.3** If necessary, additional credits earned through Knowledge/Skill Enhancement courses can be withdrawn from CGPA calculation. The student has to submit an exemption request to Controller of Examinations with the approval of Head of the Department before the registration of end semester examination of the final semester of the programme. In any case, the additional credits withdrawn by the student will not be considered further.

#### **4.3 Value added Courses**

The students may optionally undergo Value Added Courses (VAC) over and above the topics covered in the curriculum to obtain practical and industry specific knowledge. The Courses facilitated by the organizations like CISCO, Oracle, EMC<sup>2</sup> etc. can also be considered as value added courses. Value added Courses with two credits shall be offered by a Department of an institution with the prior approval by the Head of the institution.

**4.4** The medium of Instruction, Examinations and Project report shall be English.

## 5. COURSE REGISTRATION

- 5.1 Through Faculty advisor/Mentor, student can get information about academic program, eligibility, prerequisite and availability of courses that can be registered for the particular semester by considering the academic background and career objectives of the student.
- 5.2 Student shall register for a set of courses for the semester based on the advice of the Faculty advisor/Mentor.
- 5.3 All the students have to register for the courses on or before the seventh working day of the current semester
- 5.4 The student has the option of registering additional courses with the approval of the HoD and the total number of credits of per semester shall be a maximum of 36 credits. The student shall be permitted to drop a maximum of 8 **credits**.
- 5.5 The student can register professional / open elective course in self learning mode, from 5<sup>th</sup> semester onwards, if the course is not offered by the Department in a particular semester.
- 5.6 If a student finds that he/she has registered for the additional courses than his/her capability to study in a semester, he/she can withdraw one or more of courses within 15 days of the commencement of the semester
- 5.7 The maximum / minimum number of students to be registered in each course shall depend upon the infrastructure availability which shall be decided by the Head of the Department / the Head of the Institution.
- 5.8 A student who secures not less than 50% of total marks prescribed for the course [Internal Assessment + End semester Examinations] with a minimum of 45% of the marks prescribed for the end-semester Examination, shall be declared to have passed the course and acquired the relevant number of credits. This is applicable for theory, practical, integrated and project work.
- 5.9 If a student fails to secure a pass in a theory, practical, integrated (except electives), the student shall register and appear only for the end semester examination in the subsequent semester. In such case, the internal assessment marks obtained by the student in the first appearance shall be retained and considered valid for all subsequent attempts till the student secures a pass. However, from the third attempt onwards if a student fails to obtain pass marks (IA + End Semester Examination) as per clause 5.8, then the student shall be declared to have passed the examination if he/she secures a minimum of 50% marks prescribed for the end semester examinations alone.

**5.10** If the course, in which the student has failed, is a Professional Elective or an Open Elective course, the student may be permitted to complete the same course. In such case, the internal assessment marks obtained by the student in the first appearance shall be retained and considered valid for all subsequent attempts till the candidate secures a pass. However, from the third attempt onwards if a candidate fails to obtain pass marks (IA + EndSemester Examination) as per clause 5.8, then the candidate shall be declared to have passed the examination if he/she secures a minimum of 50% marks prescribed for the end semester examinations alone. If any other Professional Elective or Open Elective course is opted by the student, the previous registration is cancelled and henceforth it is to be considered as a new Professional Elective or Open Elective course. The student has to register and attend the classes, earn the continuous assessment marks, fulfil the attendance requirements as per clause 7 and appear for the end semester examination.

**5.11** Each student shall register for all the courses prescribed in the curriculum of first two semesters of the programme concerned.

## **6. DURATION OF THE PROGRAMME**

**6.1** A student is ordinarily expected to complete the B.E./B.Tech. Programme in 8 semesters (for HSC students) and six semesters (for Lateral Entry students) but in any case not more than 14 Semesters for HSC (or equivalent) students and not more than 12 semesters for Lateral Entry students.

**6.2** For the purpose of regulation, the academic year will be divided into two semesters, the winter semester normally spanning from June to November and the summer semester from December to May.

**6.3** Each semester shall normally consist of 75 working days or 540 periods of 50 minutes each. The Head of the Institution shall ensure that every teacher imparts instruction as per the number of periods specified in the syllabus and that the teacher teaches the full content of the specified syllabus for the course being taught.

**6.4** The Head of the Institution may instruct the Head of the Departments to conduct additional classes for improvement, special coaching, conduct of model test etc., over and above the specified periods for each course. But for the purpose of calculation of attendance requirement or writing the end semester examinations (as per clause 7) by the students, the periods conducted for each course within the given academic schedule as specified in the curriculum for each course shall be taken into account and the percentage of attendance of each course shall be calculated accordingly. The academic schedule normally commences from the opening/reopening day specified by

the Head of the Institution for a particular semester and ends with the previous working day of the end semester theory examination.

The following method shall be used for calculating the percentage of attendance.

$$\text{Percentage of Attendance} = \frac{\text{Total no. of periods attended in the course per semester}}{(\text{No. of periods / week as prescribed in the curriculum}) \times 15} \times 100$$

## **7. REQUIREMENTS FOR COMPLETION OF A SEMESTER**

- 7.1** A candidate who has fulfilled the following conditions shall be deemed to have satisfied the requirements for completion of a semester.
- 7.2** Ideally every candidate is expected to attend all classes and secure 100% attendance. However, in order to allow for certain unavoidable reasons, a candidate is expected to have at least 75% attendance in each course he/she registered in the particular semester, except self-learning courses.
- 7.3** A candidate who could not secure 75% attendance in each course he/she registered (except self-learning courses) in the current semester but has secured 65% and above due to medical reasons (hospitalization / accident / specific illness) or participation in extracurricular activities shall be permitted to appear for the current semester examinations with the approval of the Head of the Institution on payment of condonation fee fixed by the authorities from time to time. Medical / Participation certificate needs to be submitted along with the leave application.
- 7.4** The conduct of the candidate is satisfactory.
- 7.5** Candidates who do not complete the semester as per clause 7.2 shall not be permitted to appear for the examinations at the end of the semester and he/she has to register for the courses again.

## **8. REQUIREMENTS FOR APPEARING FOR END SEMESTER EXAMINATIONS**

A candidate shall normally be permitted to appear for the end semester examinations of the current semester if only,

- a) he/she satisfies the requirements prescribed above in clause 7
- b) he/she has paid the examination fees and has registered for the examinations for all the courses of the current semester and all the arrear courses, if any.

Registration is mandatory for the current semester examinations as well as for the arrear examinations, failing which the candidate will not be permitted to register for any course in the next semester. A candidate, who has already appeared for any course in a semester and passed in the examination, is not entitled to reappear for the same course for improvement of grades/ marks.

## **9. PROVISION FOR WITHDRAWAL FROM END SEMESTER EXAMINATIONS**

**9.1** A student may, for valid reasons, (medically unfit/unexpected family situations /sports) approved by the Head of the Institution, shall be granted permission to withdraw from appearing for the end semester examination in any course or courses in ANY ONE of the semester examinations during the entire duration of the degree programme. The application shall be sent to the COE through the Head of the Department with required documents.

**9.2** Withdrawal application is valid if the candidate is otherwise eligible to write the examination (Clause 7) and if it is made within TEN days after the date of the examination(s) in that course or courses and recommended by the Head of the Institution. For a student to withdraw from a course / courses, he/she should have registered for the course, fulfilled the attendance requirements (vide clause 7) and earned continuous assessment marks.

**9.2.1** Notwithstanding the requirement of mandatory 10 days, applications for withdrawal for special cases under extraordinary conditions will be considered on the merit of the case

**9.2** Withdrawal shall not be treated as an attempt for the purpose of classification (vide clause 19).

**9.3** If a student withdraws from writing end semester examinations for a course or courses, he/she shall register for the same in the subsequent semester and write the end semester examination(s).

**9.4** If a student applies for withdrawal from Project Work, he/she will be permitted for the withdrawal only after the submission of project report before the deadline. However, the student may appear for the viva voce examination within 30/60 days after the declaration of results for Project Work and the same shall not be considered as reappearance.

**9.5** Withdrawal is permitted for the end semester examinations in the final semester, as per clause 19.1.

## **10. TEMPORARY BREAK OF STUDY FOR A PROGRAMME**

**10.1** A student is permitted to go on authorized break of study for a maximum period of one year as a single spell.

- 10.2** Break of Study shall be granted only once for valid reasons for a maximum of one year during the entire period of study of the degree programme. However, in extraordinary situation the student may apply for additional break of study not exceeding another one year. If a student intends to temporarily discontinue the programme in the middle of the semester for valid reasons, and to re-join the programme in a subsequent year, permission may be granted based on the merits of the case provided he / she applies to the Head of the institution, but not later than the last date for registering for the end semester examination of the semester in question, through the Head of the Department stating the reasons thereof and the probable date of re-joining the programme.
- 10.3** The student permitted to re-join the programme after break of study / prevention due to lack of attendance, shall be governed by the Curriculum and Regulations in force at the time of re-joining. The students re-joining in new Regulations shall register for additional courses, if any, as notified by the Head of the Department under change of Regulations and approved by the Head of the Institution. These courses may be from any of the semesters of the curriculum in force, so as to bridge the curriculum in force and the old curriculum. In such cases, the total number of credits to be earned by the student may be more than or equal to the total number of credits prescribed in the curriculum in force.
- 10.4** The authorized break of study is included in the duration specified for passing all the courses for the purpose of classification (vide Clause 19).
- 10.5** The total period for completion of the Programme reckoned from, the commencement of the first semester to which the candidate was admitted shall not exceed the maximum period specified in clause 6.1 irrespective of the period of break of study in order that he/she may be eligible for the award of the degree.
- 10.6** If any student is prevented for want of required attendance, the period of prevention shall not be considered as authorized 'Break of Study' (Clause 10.1).
- 10.7** If a student in Full Time mode wants to take up a job / start-up / entrepreneurship during the period of study he/she shall apply for authorized break of study for one year. The student shall join the job / start-up / entrepreneurship only after getting approval of the same by the Head of the Institution with due proof to that effect.

## **11 SYSTEM OF EXAMINATION**

- 11.1** Performance in each course of study shall be evaluated based on continuous internal assessment throughout the semester and end semester examination at the end of the semester. However, mandatory courses shall be assessed based on continuous internal assessment only. The assessment procedure for knowledge /skill enhancement courses is given vide clause 13.
- 11.2** The duration of end semester examination for theory, integrated course and practical courses shall be three hours and normally conducted between October and December during the winter semesters and between April and June during the summer semesters.

- 11.3** The duration of end semester examination for theory course is normally based on number of credits with minimum of one hour of examination per credit. However, it is not applicable for integrated courses.
- 11.4** Each course, theory, practical, integrated and project viva voce shall be evaluated for a maximum of 100 marks.
- 11.5** The total marks shall consist of the continuous internal assessment marks and the end semester examination marks. The respective apportionment of the continuous internal assessment marks and the end semester examination marks is given below:
- 11.5.1** For all theory courses the continuous internal assessment will carry 40 marks while the End Semester Examination will carry 60 marks.
- 11.5.2** For all practical courses, the continuous internal assessment will carry 60 marks while the End Semester Examination will carry 40 marks.
- 11.5.3** For all integrated courses the continuous internal assessment will carry 50 marks while the End Semester Examination will carry 50 marks.
- 11.5.4** The continuous internal assessment for the project work will carry 40 marks while the End Semester Examination will carry 60 marks.
- 11.6** The end semester examination for project work / multidisciplinary project shall consist of evaluation of the final report submitted by the students of the project group (minimum of three students per group) by an external examiner and internal examiner followed by a viva-voce examination conducted separately for each student by a committee consisting of the external examiner, the guide of the project group and an internal examiner. In case of multidisciplinary project the group of students shall be from at least three different branches.
- 11.7** Students are prohibited from entering into the examination hall / laboratories with any book or any portion of books, manuscript, or paper of any description or communicating with or copying from each other or communicating with anyone outside the examination hall / laboratories. Programmable calculator, Cell phones and other electronic gadgets shall not be permitted inside the examination hall / laboratories. However any required code books and data sheets / books, if necessary, may be permitted inside the examination hall / laboratories with the approval of the Chief Superintendent / Examiners. The students are warned that any form of malpractice will be dealt with severely. The disciplinary action will be taken by the college authorities after conducting an enquiry. The punishment may even be cancelling all the end semester examinations

written by the student in the particular semester and debarring permanently from all the end semester examinations in the particular semester.

- 11.8** The hall ticket must be produced by all the students at the time of writing the examination. If a student fails to produce the hall ticket on any grounds, he/she should get a duplicate Hall ticket from the Controller of Examinations office through the Chief Superintendent /Examiner by paying the duplicate hall ticket fee.
- 11.9** Examiners for setting and validating end semester examination question papers for theory courses, evaluating end semester examination answer scripts, conducting practical examinations and evaluating project works shall be appointed by the Controller of Examinations after obtaining approval from the Chairperson of the Academic Council of the College.

## **12. PROCEDURE FOR AWARDING MARKS FOR CONTINUOUS INTERNAL ASSESSMENT (CIA)**

The continuous internal assessment for all theory, practical, integrated, project viva voce and mandatory courses shall be awarded as per the procedure given below:

### **12.1 THEORY COURSES**

Minimum of two assessments each carrying 100 marks shall be conducted during the semester. The total marks obtained in all assessments put together shall be proportionately reduced for 40 marks and rounded to the nearest integer

**TABLE-V: Internal Assessment for Theory Courses**

<b>Assessment I (100 Marks)</b>		<b>Assessment II (100 Marks)</b>	
<b>Individual Assignment / Case Study / Seminar / Mini Project</b>	<b>Written Test</b>	<b>Individual Assignment /Case Study / Seminar / Mini Project</b>	<b>Written Test</b>
40	60	40	60

### **12.2 Practical Courses**

The maximum marks for Internal Assessment shall be 60 marks in case of practical courses. For all practical courses the continuous assessment shall be for a maximum of 100 marks which includes 75 marks for regular class work (Record, conduct of experiments, observation, result and viva in regular class work) and 25 marks for model examination. Internal assessment marks shall be converted into 60 marks and shall be rounded off to the nearest integer.

**TABLE-VI: Internal Assessment for Practical Courses**

<b>Record, conduct of experiments, observation, result and viva in regular class work</b>	<b>Model Examination</b>

### 12.3 Integrated Courses (Theory Courses with Laboratory Component)

The theory and the practical components of the integrated courses shall be evaluated individually for these courses. The weightage of the theory component shall be 40% and the weightage of the practical component shall be 60%. The pass marks obtained in either theory or practical part of the integrated course shall be maintained till the entire course is passed by a student. There shall be Minimum of two internal assessments as given in Table VII. The weighted average of the two assessments shall be converted into 50 marks and rounded to the nearest integer.

**TABLE-VII: Internal Assessment for Integrated Courses**

<b>Assessment I (40% weightage) (Theory Component)</b>		<b>Assessment II (60% weightage) (Laboratory Component)</b>	
Individual Assignment / Case Study / Seminar / Mini Project	Written Test	Evaluation of Laboratory Observation, Record	Test

### 12.4 Project Work/ Product Development Project / Multidisciplinary Project / Creative Thinking and Innovation Project

**12.4.1** The HoD/Head of the Institution shall constitute a separate review committee for Project work /Product Development Project / Multidisciplinary project/ Creative Thinking and Innovation Project. There shall be three reviews during the semester by the review committee. The student shall make a presentation on the progress made by him / her before the committee.

**12.4.2** A candidate may be permitted to work on the project in an Industry / Research Organization, on the recommendations of the HoD, with the approval of the Head of the Institution, if necessary. These candidates will have to produce a certificate of authorization from the Industry/Research Organization where the project is done

**12.4.3** Multidisciplinary Project shall be carried out by the students of different branches and it shall be offered at the Institute level. The students who have more than 7 CGPA up to V semester are eligible to carry out multi-disciplinary

project. There shall be two phases in multi-disciplinary project, Phase I and Phase II.

**TABLE-VIII: Project Work/ Product Development Project / Multidisciplinary Project / Creative Thinking and Innovation Project**

			Project Report		Viva-Voce Examination		
10	15	15	Internal	External	Internal	External	Supervisor
			10	10	10	20	10

**12.4.4** The last date for submission of the project report is on the last working day of the semester. If a student fails to submit the project report on or before the specified deadline or the student has submitted the project report but did not appear for the viva-voce examination, it will be considered as fail in the Project Work and the student shall re-register for the same in the subsequent semester.

**12.5** If any course requires alternate internal assessment system, the faculty member, who is handling the course, should submit a request to the Principal through the HoD for the alternate continuous internal evaluation system, within seven days of the commencement of classes in a particular semester. The internal assessment suggestion committee formed by the Head of the Institution, shall scrutinize the request and recommend suitable alternate continuous internal assessment system for approval of the Head of the Institution.

## **12.6 Attendance and Continuous Assessment Record**

Every faculty member is required to maintain an Attendance and Continuous Assessment Record which consists of attendance marked for each lecture or practical or project work classes, the tests & assignment marks and record of class work (topics covered) separately for each course. This should be submitted to the HoD concerned at the end of every month for checking the syllabus coverage and the record of test marks and attendance. The HoD will put his/her signature and date after due verification. At the end of the semester, the HoD should verify the register and keep this document in his/her safe custody for five years. The register will have to be produced for scrutiny by the Head of the Institution or any inspecting authority whenever called for. The faculty handling courses for a particular programme from other departments (e.g. English, Mathematics, Science, etc.) shall submit the records to the HoD of the faculty concerned.

## **13. Procedure For assessment of Knowledge / Skill Enhancement Courses and value added courses**

**13.1 Self-Learning online Courses:** Self Learning online Courses are assessed and evaluated by the certification Institute/ organization or by the Institution. A committee constituted by the Head of the Institution shall assign number of credits based on the duration of the course and award the grade for these courses based on the quality of the online courses, the assessment procedure and the performance of the student. **The credits earned shall be transferred and the marks earned shall be converted into grades and transferred, provided the student has passed in the examination as per the norms of the offering organization.**

**The marks earned shall be converted in to grades , provided the student has passed in the examination as per the norms of the offering organization. The credits earned by the students may be used for credits replacement or additional credits**

**13.2 Self-Learning Elective Courses in UG / PG Curriculum:** The assessment for these courses shall be conducted as per theory courses vide clause 11.5.1. There will be a faculty coordinator for such courses and the faculty coordinator shall conduct the Continuous Internal Assessment as per clause 12.1. The end semester examinations shall also be conducted by the faculty coordinator concerned.

**13.3 Industry Designed Courses:** The faculty coordinator nominated by the Head of the Department shall be responsible for the coordination with the industry and for the completion of the assessment. For theory based courses, there shall be one continuous internal assessment for 40 marks and end semester examination for 60 marks. For practical based courses, there shall be one continuous internal assessment for 75 marks and end semester examination for 25 marks

**13.4 Internship:** There shall be one final assessment after the completion of internship. Internship shall carry 100 marks and shall be evaluated through internal assessment only. At the end of Industrial / Practical training/ Internship/summer project, the candidate shall submit a certificate from the organization where he/she has undergone training and a brief report. The evaluation will be made based on the report and a viva-voce examination conducted by a three member Departmental Committee constituted by the Head of the Department / Head of the Institution.

There are two category of Value added courses, the first category of value added courses are offered by reputed organizations and the second category of value added courses are offered by the departments. The assessment procedure for the two category of value added courses are given below.

**13.8.1** For the value added courses offered by reputed organizations the credits shall be assigned by the committee constituted by the Head of the Institution. The marks earned shall be converted into grades and transferred, provided the student has passed in the examination as per the norms of the offering organization.

**13.8.2** For the value added courses offered by the department shall be evaluated through continuous internal assessments only. The department offering the value added course shall conduct two assessments.

The grades earned by the students for Value Added Courses will be recorded in the Grade Sheet, however the same shall not be considered for the computation of CGPA.

## **14 Mandatory Courses**

The procedure for assessment of the Mandatory courses is given in Annexure 1.

## **15 PASSING REQUIREMENTS**

15.1 A student who secures not less than 50% of total marks prescribed for the course [Internal Assessment + End semester Examinations] with a minimum of 45% of the marks

prescribed for the end-semester Examination, shall be declared to have passed the course and acquired the relevant number of credits. This is applicable for both theory and laboratory courses (including project work).

15.2 If a student fails to secure a pass in a theory course / laboratory course (except electives), the student shall register and appear only for the end semester examination in the subsequent semester. In such case, the internal assessment marks obtained by the student in the first appearance shall be retained and considered valid for all subsequent attempts till the student secures a pass. However, from the third attempt onwards if a student fails to obtain pass marks (IA + End Semester Examination) as per clause 15.1, then the student shall be declared to have passed the examination if he/she secures a minimum of 50% marks prescribed for the end semester examinations alone.

15.3 If the course, in which the student has failed, is a Professional Elective or an Open Elective course, the student may be permitted to complete the same course. In such case, the internal assessment marks obtained by the student in the first appearance shall be retained and considered valid for all subsequent attempts till the candidate secures a pass. However, from the third attempt onwards if a candidate fails to obtain pass marks (IA + End Semester Examination) as per clause 15.1, then the candidate shall be declared to have passed the examination if he/she secures a minimum of 50% marks prescribed for the end semester examinations alone.

If any other Professional Elective or Open Elective course is opted by the student, the previous registration is cancelled and henceforth it is to be considered as a new Professional Elective or Open Elective course. The student has to register and attend the classes, earn the continuous assessment marks, fulfil the attendance requirements as per clause 7 and appear for the end semester examination.

15.4 If a student is absent during the viva - voce examination, it would be considered as fail. The students shall register for the course again in the subsequent semester and can do Project Work.

## **16 AWARD OF LETTER GRADES**

**16.1** The award of letter grades will be decided using relative grading principle. The performance of a student will be reported using letter grades, each carrying certain points as detailed below:

**TABLE-XI: LETTER GRADING**

<b>Letter Grade</b>	<b>Grade Points</b>
O (Outstanding)	<b>10</b>
A + (Excellent)	<b>9</b>

A (Very Good)	8
B + (Good)	7
B (Average)	6
C (Satisfactory)	5
RA (Re-appearance)	0
SA (Shortage of Attendance)	0
W (Withdrawal)	0

'RA' denotes Reappearance registration is required for that particular course, 'SA' denotes Shortage of Attendance (as per clause 7) and hence prevented from writing the end semester examination.

The Grade point average (GPA) for each semester is calculated using the formula

$$GPA = \frac{\sum_{i=1}^n C_i GP_i}{\sum_{i=1}^n C_i}$$

The Cumulative Grade Point Average (CGPA) is calculated from the first semester to final semester using the formula

$$CGPA = \frac{\sum_{i=1}^N C_i GP_i}{\sum_{i=1}^N C_i}$$

**C<sub>i</sub>** - is the Credits assigned to the course

**GP<sub>i</sub>** - is the point corresponding to the grade obtained for each Course

**n** - is number of all Courses successfully completed during the particular semester in case of GPA

**N** – is number of all courses successfully completed during all the semesters in case of CGPA

"RA", "SA" and "AB" grades will be excluded for calculating GPA and CGPA.

The GPA and CGPA are computed only for the candidates with a pass in all the courses.

The GPA and CGPA indicate the academic performance of a candidate at the end of a semester and at the end of successive semesters respectively.

The formula for the conversion of CGPA to equivalent percentage of marks shall be as follows:

$$\text{Equivalent Percentage of Marks} = \text{CGPA} \times 10$$

## 16.2 Grade Sheet

A grade sheet for each semester shall be issued containing the following information after the publication of the results

1. The credits registered and earned by the student
2. Grade obtained in each course
3. Additional credit earned in each semester
4. Grade Point Average of the semester and Cumulative Grade Point Average earned up to the semester
5. Month and year of appearance
6. Procedure for calculation of GPA and CGPA

## 17 ELIGIBILITY FOR THE AWARD OF DEGREE

**A candidate shall be declared to be eligible for the award of the Degree if he/she has**
