ABOUT ROTARACT CLUB

Rotaract originally began as a Rotary International youth program in 1968 at Charlotte North Rotary Club in Charlotte, North Carolina, United States, and has grown into a major organization of 10,680 (14 Sep 2022) clubs spread around the world and over 203,000 members in 189 countries. It is a service, leadership, professional and community service Organization (often miscommunicated as a Social Service Club) for young men and women aged 18 and over.

Rotaract focuses on the development of young adults as leaders in their communities and workplaces. Clubs around the world also take part in international service projects, in a global effort to bring peace and international understanding to the world.

"Rotaract" stands for "Rotary in Action", although the name originally comes from a combination of "Rotary" and "Interact" (International + Action), the high school level program created by Rotary International in 1962.

Main Motive of Rotaract

1. To develop professional and leadership skills.
2. To emphasize respect for the rights of others, based on recognition of the worth of each individual.
3. To recognize the dignity and value of all useful occupations as opportunities to serve.
4. To recognize, practice, and promote ethical standards as leadership qualities and vocational responsibilities.
5. To develop knowledge and understanding of the needs, problems and opportunities in the community and worldwide.
6. To provide opportunities for personal and group activities to serve the community and promote international understanding and goodwill towards everyone.

Club Service

The role of the Club Service or Club Administration committee is to perform the logistical tasks that help your club run smoothly and make your club meetings successful. The club meeting shapes members' Rotary experience. Meetings should be fun and interactive. Clubs need active, engaged members to tend to their communities and attract new members.

Duties of this committee may include: arranging speakers, setting meeting agendas, maintaining websites and social media, coordinating communication, planning assemblies, socials and other events.

Community Service

Community service encourages Rotarians to offer assistance to their communities. Every Rotary club and every Rotarian assumes a responsibility to find ways to improve the quality of life for those in their communities and to serve the public interest.

Rotary always benefits two people. The child who is sick, who is hungry, who is thirsty, who has no clothes. No shelter, education, future, or hope that child is beneficiary of Rotary's outreach. The real reason for our existence is to serve others.

International Service

International Service Team works with local clubs to develop international projects and design global grants of higher quality and greater scale by leveraging local Rotarian expertise, establishing connections between clubs in the district and a host or international partner, and creating a network of local experts to help with project planning and the grant process.

International Service fulfils Rotary's mission throughout the world through the delivery of projects and programs in one of six focus areas:

Six areas of Rotary club

Vocational Service

Vocational Service calls every Rotarian to:

- Aspire to high ethical standards in their occupation. To recognize the worthiness of all useful occupations.
- Contribute their vocational talents to the problems and needs of society.

Rotarians, clubs, and districts should implement the following strategies in their support of Vocational Service:

- Strengthen the emphasis on vocation and classification in new member recruitment and induction.
- Identify means of emphasizing vocation in club activities.
- Create a stronger emphasis on business networking with integrity in Rotary at the club and district level.
- Focus more attention on business networking with Integrity as a means of attracting and mentoring the new generation.
- Emphasize the connection between the Four Way Test and the Rotary Code of Conduct (formerly called: Declaration of Rotarians in Business and Professions) and their importance to the values of Rotary.

CLEANINESS STARTS FROM HOME

02 Apr 2023

"Cleanliness starts from home" As the proverb says it's our responsibility to keep our surroundings clean. Our club members took part in cleaning 'SUNDARAM PARK'. It was a event hosted by the Rotaract Club of Madurai Royal City. We gathered around 20 sacks of waste around the park.
