## About National Service Scheme (NSS)

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. It provides opportunity to the student youth of 11th & 12th Class of schools at +2 Board level and student youth of Technical Institution, Graduate & Post Graduate at colleges and University level of India to take part in various Government led community service activities & programmes. The primary objective of developing the personality and character of the student youth through voluntary community service. 'Education through Service' is the purpose of the NSS. NSS was launched in 1969 in 37 Universities involving about 40,000 volunteers which has now spread over 657 Universities and 51 +2 Councils/Directorates, covering 20,669 Colleges/ Technical Institutions and 11,988 Senior Secondary School. Since inception , over 7.4 crore students have benefitted from NSS.

## The NSS Badge Proud to Serve the Nation:

- All the youth volunteers who opt to serve the nation through the NSS-led community service wear the NSS badge with pride and a sense of responsibility toward helping the needy.
- The Konark wheel in the NSS badge having 8 bars signifies the 24 hours of the day, reminding the wearer to be ready for the service of the nation round the clock i.e. for 24 hours.
- The red color in the badge signifies the energy and spirit displayed by the NSS volunteers.
- The Blue color signifies the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of mankind.

## Motto:

The motto of the National Service Scheme is **NOT ME BUT YOU**

## Benefits of Being a NSS Volunteer:

An NSS volunteer who takes part in the community service programme would either be a college-level or a senior secondary-level student. Being an active member, these student volunteers would have the exposure and experience to be the following:

- an accomplished social leader
- an efficient administrator
- a person who understands human nature
