The Guest of Honor, Kavibharathi M.Durga Devi, Motivational Speaker, have shared information about “The power of female education lies in its ability to break barriers, shatter stereotypes, and pave the way for a more inclusive and equitable world. As we invest in educating girls and women, we not only provide them with opportunities but contribute to a shared future where the potential of every individual, regardless of gender, can be fully realized. Breaking barriers using female education is not just a choice; it’s a collective responsibility for a brighter, more harmonious world.” Dr.T.Ruba, Assistant Professor/ECE, delivered the vote of thanks. From the program, girl students are motivated and awareness is created regarding the social welfare of women in the society.
