Introduction:

“Leadership, Experience, Opportunity.” That’s what makes a Leo. Members of Leo clubs embody the best qualities of our incredible organization. They are devoted young people who realize the power of action. Together, Leos and Lions form a powerful partnership one of mutual respect where Lions learn from the innovative insights of Leos, and where Leos gain access to the proven strategies of those who have successfully served the world for decades.

Objective:

Choosing Leo clubs will help you grow as an individual and as a leader as you join a global family of young people making the world a better place.

Topics to cover:

- The fun and fellowship
- Opportunities to lead
- Tools to put your kindness in action .
- A global Foundation that magnifies your service impact
- Being a part of something big
- Tech made just for Lions
- You get when you give

Methodology:

These are just some of the great benefits of being a Lion. So be sure to take advantage of everything your club and your membership has to offer.

Conclusion:

There’s nothing like being a Lion. We make a difference in our communities and in the lives of the people we serve. And even though Lions spend most of their time giving, they also get so much in return.
